Dr Omprakash Damodaran

B.Med, GDIH, MS, FRACS

Neurosurgeon

Dr Damodaran is an Australian trained neurosurgeon, and a Fellow of the Royal Australasian College of Surgeons (RACS).

He is a member of the Neurosurgical Society of Australasia (NSA). Dr Damodaran completed a complex spine fellowship at St Vincent's Hospital, Melbourne (2015). He was awarded the AO Asia Pacific Spine Scholarship (2016).

Dr Damodaran obtained a Master of Surgery from the University of Sydney (2012). His research was on the management of the highly malignant primary brain tumour, glioblastoma multiforme.

Dr Damodaran has published extensively in peer-reviewed journals and continues to have a strong interest in research. He is also Chair of the Neuro-Oncology MDT meeting at Concord Hospital.
