

MATER HOSPITAL
A FACILITY OF
ST VINCENT'S
HEALTH AUSTRALIA

A/Prof Robyn Saw

FRACS, MS

Melanoma & Surgical Oncology; General Surgery

A/Prof Saw is a highly experienced General Surgeon, specialising in melanoma patient care and surgical oncology. She is Head of the Department of Melanoma and Surgical Oncology at Royal Prince Alfred Hospital and has been affiliated with Melanoma Institute Australia since 2002.

As well as her clinical responsibilities, she is actively involved in melanoma research, focusing on lymphoedema, and quality of care and quality of life in melanoma patients. Translation of research into clinical benefit for patients is the focus of her research activity. She is also involved in the education of medical students, surgical trainees, clinicians and patients.
