Dr Sofia Smirnova

MBBS MM(RHHG) FRANZCOG

Obstetrician & Gynaecologist

Dr Smirnova is dedicated to providing the best health care to women of all ages. Her goal is to keep women healthy for a lifetime by optimising health, preventing disease, identifying and remedying problems and providing a level of care and attention that is both professional and compassionate.

Dr Sofia Smirnova is a qualified female Obstetrician & Gynaecologist based at the Royal Prince Alfred Hospital. Dr Smirnova also holds a Master of Medicine degree in Reproductive Health and Human Genetics from the University of Sydney.

Dr Smirnova believes that a physician's role in caring for women is to optimize health, and remedy problems as early as possible for every age at every stage of your life.
