WHAT DO THE PREVIOUS GRADS SAY?

"Making the transition from student to New Graduate nurse can be a daunting and stressful time. At the Mater Hospital, any such fears are quickly alleviated due to the comprehensive New Grad program and the generous support from not only fellow nurses but all staff at the hospital. The friendly and supportive atmosphere at the Mater enabled me to build confidence, gain knowledge and develop new skills that serve me well in my future nursing career"

Victoria O'Keefe
(Previous Graduate nurse)
